# Parking for NA Invitational

In order to somewhat alleviate parking issues, buses are going to be parked off-site at the Covenant Community Church (5157 Wexford Run Road, Wexford, PA 15090) after dropping off their teams. The church is located immediately on the other side of the bridge over I-79, a few hundred yards from the Marshall campus. Bus drivers can drive back to the campus to pick up the teams when they are ready to depart. The church is indicated on the map below in blue. In case we miss you upon arrival, please let your drivers know of this arrangement.

Also, for spectators hoping to avoid congestion driving onto the campus, especially between 3:00 and 3:40 PM, it is recommended that they make use of the rear entrance to campus on Shenot Road. The entrance from Shenot Road is indicated on the map below in red.

The NA JROTC cadets will oversee parking. They will direct spectators to the appropriate locations. They will do their best to maximize the parking that we have available, but some folks might find it more convenient to park off campus or in the church lot with the buses. It is a short walk across the bridge on a sidewalk to the campus from there.
